**Jacqueline Dyer, LICSW, Program Director**

## **Resource Listing of School and Community Services at CPS**

This document represents an identification of supportive services identified by the school as belonging to the pool of resources they have utilized. The purpose of this listing is to facilitate sharing of helpful resources across the district, and to increase awareness of resources previously unknown to some.

In addition to the resources listed below all schools share certain resources in common:

- All schools are mandated by law to have Transition Assistant Teams (TAT) to discuss academic concerns. Student Support Team are optional, but many schools use them to discuss socio-emotional needs of students. Having both types of meetings is a one-two approach toward addressing student achievement in a comprehensive way.
- Lisa Dobberteen, pediatrician at North Cambridge Health Center provides consultation and training for school nurses. The number of the clinic is 617-665-3330, or she can be reached through the Department of Pediatrics at Cambridge Hospital at 617-665-1497.
- Susan Breen, Nurse Manager, School Health also provides training and support for school nurses. She can be reached at 617-665-3860.
- Lindsay Abernethy from Cambridge Economic Opportunity Committee (CEOC) presents “Know Your Body” to 5<sup>th</sup> and 8<sup>th</sup> graders. The number for the organization is 617-868-2900.
- Joyce LeFevre from the Cambridge Public Health Department (CPHD) provides annual dental exam to CPS students. The number for CPHD is 617-665-3800.
- Alicia Morris, RN from Cambridge Public Health Department is the coordinator of Tools for School, a program that monitors environmental safety in schools. She can be reached at 617-665-3800 as well.
- Trish Calorio from the Cambridge Public School Department provides annual vision and hearing exam to CPS students as well as support for general school health issues. She can be reached at 617-349-6619.
- The Walker Home School through its Community and School Program (CASP) provides services for children in foster, kinship, and adoptive care through consultation, linking families to resources in the community and training of school staff and referrals. The contact person is Nancy Hoover. The number for the Walker Home School is 617-549-5637.
